NOTE FOR ADMIRAL MURPHY

Attached is a copy of CFID No. 4, "CFI Administrative Arrangements," which I propose to put in the CFI briefing books for the 14 May meeting.

This CFID is based in part on Mr. Ellsworth's letter to the DCI of 6 May (also attached)

Request your approval of the proposed CFID.

You had suggested we get Bill Hyland to agree by telephone but in view of the shortness of time and considering this has not yet been disseminated I suggest we make it an agenda item of 14 May.
